To Honorable Judge Côté

I am simply writing to
note my objections to the defendant's Request
for extension

1) I would like to make a
record of the fact that Assistant Counsel
Arona Charnaine Williams also requested the
extension has never entered a "notice of
appearance" in this matter.

2) The extension request is being
avered on basis of completely discovering
of records that are clearly in the possession

of clients of the Defendants and to complete deposition of plaintiff.

The plaintiff has recently in Nov 2020 made notice that NYC DOC denied plaintiff's criminal court appearance which Judge Vincent Delgadine of Kings County and did so without reasons being given to the plaintiff and/or either of his criminal defense attorneys to date. When plaintiff asked why, he was given a verbal answer that "Big Shem" who was warden Sharma Denker and Chief Scott said you don't go to court from CUMC.

This was clearly a violation to the plaintiff's rights to release for that reason, and the fact that on first attempt to depose plaintiff our Summer was denied by DOC officers without reasons.

Employees
clients of the City of New York are knowingly violating plaintiff's rights which are cause and effect for extension request.

Remedial should not be recorded any extensions if it "request" are being

made due to consistent violations acts of
their client.

Respectfully
Caleb- Allons
